

# TIPS FOR PARENTING IN THE PEW

## OCTOBER 2008

### Helping Children Prepare for Worship:

- Be on time for worship and seated in the sanctuary for the beginning of the service.
- Make sure each child has a bulletin to follow along with the service. This month, point out the Call to Worship and the prayers, the focus of study for Wonders of Worship in October and November.

### Helping Children Participate in Worship:

- During the service, point out...
  - Prayer calls us to remember others in need.
  - The Offering calls us to worship by giving God our treasures.
  - Special colors call us to remember the church year calendar. We are currently in the Season following Pentecost so all the fabrics in the church are green. In a few weeks we will change to purple for advent.
