

Can a box change a life?

Yes! It can! And you can help.

Children in many parts of the world do not get to celebrate Christmas with nice presents. Your gift of what seems like simple items can let a child know about the love of God. A pencil and paper. A comb and brush. A small doll or a ball. A jump rope. A pair of flip-flops. A bar of soap and a washcloth. A toothbrush. These everyday items become treasures for children that they will remember for the rest of their lives. A coloring book with the Christmas story might be the first time they hear about how God loves them.

Select an ornament for a child from the tree in the Welcome Center and bring those items to the Church Office no later than June 11th and help make this Christmas special for a child in Central America.
