

Meet Dian Nelson

Dian was born in Maryville, Tennessee, and graduated from Knoxville Business College many moons ago (*her words*). She immediately went to work in the loan department at Blount National Bank in Maryville. After marrying her high school sweetheart, Steve, Dian moved to the Atlanta area because Steve worked at Delta Airlines. She went to work for Scott Hudgens Realty and Mortgage in the loan servicing department in Hapeville and stayed for 12 years. After, she worked for the Fayette County Board of Education at Hood Avenue Primary School as the secretary/bookkeeper for 28 years and retired from the Board of Education in 2014.

Since she does not like to do housework and laundry (*again, her words*), she decided to help out in the church office where she thoroughly enjoys the work and the people with whom she comes in contact (*Thankfully, these are her words, too!*).

Dian and her job-sharing buddy, Janet Gazaway, are ready to help you connect at FFUMC. Call the church office at 770-461-4313 or email admin@fayettevillefirst.com.
