

Greetings from Dr. Thomas Martin

I have been blessed to have had the opportunity to serve churches since my college days. With my dad being a retired United Methodist minister, there was never a time when I did not experience God's love in the congregations that have raised me. It is my hope that I have been and will continue to extend that love in and through the churches I serve.

I grew up in parsonages in South Georgia and attended Birmingham-Southern College. While working as a camp counselor I met Leslie who was attending the University of Georgia. Shortly after we were married we moved to Raleigh-Durham where I attended Duke Divinity School. After graduation in 2008 we moved back home to Georgia and have served Peachtree Road UMC and Sandy Springs UMC.

We now have three fun loving kids and are excited about the ways in which we can be part of the community. I am grateful to be in ministry not only to you but with you here at Fayetteville First UMC.

G. Thomas Martin
