## ARMOR UP WITH GOD

By Carson Thaxton

***Give thanks to the Lord, for he is good; his love endures forever.  
Psalm 107:1 NIV***

Did you know that God has loved you from the start, loves you now, and will continue loving you into the future? This is why we give thanks to the Lord, because God's love continues forever no matter what. Nothing can stop the love of God.

***For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord. Romans 8:38-39 NRSV***

Always remember to stay rooted in the love of Jesus so that we can truly love one another the way Jesus loves us. Remember to forgive one another the way Jesus forgives us. And always remember to see one another the way God sees you—full of love that endures forever. May you and your family have a very well-earned summer break together. This has been quite a year. But God has seen us through. Stay thankful and faithful. Amen and amen!

# ACTIVITY FOR KIDS AND ADULTS:

## DESIGN YOUR OWN FAMILY CREST/SHIELD

WRITTEN BY JAYNE ANDREWS

Hold a family (K)night at the round table and create your own family crest/shield. Research your family name and discover your Coat of Arms. Explain the meaning of the coat of arms portrayed on the shield, and show some examples, allowing children to add their own personal elements of what is important to them (music, dance, soccer, cooking, serving etc.)

To start, cut shields made from cardboard/poster board or by printing the template provided and decorate with markers, crayons, colored pencils and stickers.
