## BE STRONG IN THE LORD

By Allie Hansen

Our VBS knights in training are fully Armored Up with Truth, Justice, Peace, Faith, and Salvation and are ready to spread the Good News! I am overjoyed at the week we had together, learning and growing in Christ. Our mission project supporting Bloom was a true success and the back of my minivan was full to the brim with pillows, pajamas, sheets, books and more to help our local foster children get "A Good Knight's Sleep." We only have a few more spots left for MAD Camp or "MADieval Times" as we are calling it this year, so find the link to the left and get registered! It was bittersweet to say goodbye this past weekend to Carson as he starts his new journey at Cokes Chapel, but the good news is that he will be back at FFUMC for MAD Camp next week!

# VBS Fun!

## VBS VIDEO RECAP

Psalm 74:17

It was you who set all the boundaries of the earth; you made both summer and winter.

# ACTIVITY FOR KIDS AND ADULTS:

## MAKE YOUR OWN SOLAR OVEN S'MORES

[HTTPS://DESERTCHICA.COM](https://desertchica.com)

### Supplies

- Pizza box
- Aluminum foil
- Plastic wrap
- Black construction paper
- Craft knife or scissors
- Marshmallow
- Chocolate
- Graham crackers

### Directions

- 1) Cut a large "oven door" flap on the top of the pizza box. Diagrams available [here](#).
- 2) Decorate your solar oven with sharpies/stickers/paint. This is a fun \*optional\* step.
- 3) Glue black construction paper to the bottom of the box to absorb the heat.
- 4) Glue aluminum foil to the inside of the door. The foil reflects the sun into the oven.
- 5) Tape the plastic wrap over the opening of the door. This will allow the air inside the box to heat up but keep the heat trapped inside the box.
- 6) Add a graham cracker, marshmallow, and chocolate inside the oven.
- 6) Place your oven outside in the sun. Prop the lid open at an ideal angle.

**WHILE THE S'MORES COOK, TAKE TURNS RETELLING STORIES FROM THE BIBLE.  
THERE'S NOTHING BETTER THAN BIBLE S'MOREYTELLING!**
