## The Weekender

### Do you want to be right?

Rev. Dr. Thomas Martin

I was lucky enough to be in a carpool in seminary with two other guys who lived near me. We saved on gas and had lively discussion about what we were learning in our days as students. One was a United Methodist turned Episcopalian and the other a lifelong Presbyterian. There's probably a punch line and a joke to be worked in that opener but another time, maybe.

I was also fortunate because these other two guys were way smarter than I was. They would be talking about what we heard in class, what we were reading, and what they were reading for fun. I was barely keeping up with the daily reading, much less extra reading for fun. I sat in the back seat and watched and listened to them argue and debate and learn and grow. Occasionally I would pipe up with some nugget that I thought was helpful for the discussion but very rarely.

That's not to say I didn't have opinions.

One day, politics made its way into our discussion based upon our New Testament class. I all of a sudden started talking more than I had before giving proof texts and history and all of the things I had learned. But apparently the driver (Methodist turned Episcopalian) heard something in my voice and my tone that needed addressing. He simply said to me, "Did you come to seminary to learn how to be right or to learn how to be a pastor?"

That stung a little bit. But it was a valuable teaching moment that has shaped me ever since. It shapes how I read the scriptures. It shapes how I treat others. It shapes how I am perceived by others. If someone can hear something in my voice that prompts that question, I must ask myself the same question everyday, "Am I here to be right or am I here to be like Christ?" It's a question that we must all ask ourselves. A lot of it has to do with what we put into ourselves. Galatians, the fifth chapter, talks about things that defile and things that build up. This Sunday, we will wrestle with what we put into our minds, bodies, and spirits and I hope that you will ask yourself, like me, "Do you want to be right, or do you want to be more like Jesus?"

## Create Camp 2022 preps for VBS

Camp has been a creative adventure for students in third through sixth grade this week at FFUMC. Designed to go deep into the themes of this year's VBS, Create Camp 2022 also has nurtured leadership skills and offered an expressive (and impressive!) summer experience.

Rev. Allyson Lawrence seems excited about the experience for campers:

The kids have had a great week. From learning to be directors of skits, costume designers and set creators they have learned how to work as a team and to take on important leadership roles. Each day we focused on a different aspect of teamwork using the acronym TEAM.

T - Talk to each other

E - Everyone has a job

A - Ask for help

M - Motivate each other

Friday the students will have a chance to show their families how they have grown as individual leaders and as an extremely capable team by performing songs and a Bible skit using their own costuming and set design.

This group of students is prepared to lead us to VBS 2022: Discovery on Adventure Island coming July 11-15. We'll be ready to follow these leaders!
